

## **Central Dallas Ministries DONOR PRIVACY POLICY**

Central Dallas Ministries (CDM) and its staff are committed to protecting the confidential information of its donors. CDM will not sell, trade or otherwise share a donor's personal information with any other entity. Furthermore, a donor does not have to elect for their information to be kept private – it is the standard operating procedure of CDM.

In addition, any donor can opt out of receiving communications from CDM, including print and/or electronic communications, by contacting the Manager of Donor Relations (see below).

CDM supports the Donor Bill of Rights, developed by the Association of Fundraising Professionals, which can also be found on our website.
